PRESIDENT'S FOREWORD

Welcome to Alberta University of the Arts.

As we now live in a knowledge economy where creativity and innovation are the new commodities, our vision "To change the world through art, craft and design while enriching creative communities and economies" may appear simple, but it is indeed most ambitious and essential for any thriving society.

Thus, the study of art, craft and design is a search. It is an exploration of ideas, a celebration of creativity, and an understanding of what connects us to the world. It is a way of seeing, a way of thinking about the tools and materials we use, the clothing we wear, the world we inhabit. It is to reflect on the extraordinary moments as well as the ordinary ones of our daily lives, it is about understanding, enriching, and educating our environment – ultimately ourselves. A life in the fields of art, craft and design is always changing, demanding and especially most rewarding.

As we approach our centennial, we continue to be so very proud that all in our Schools are actively engaged in graduating talented artists and designers who become innovators and leaders in their fields. Over the course of your studies, we will ignite your imagination and fuel your curiosity to go further and explore deeper.

Here you will find everything you need for a successful academic year, from the Academic Schedule and descriptions of all our programs, to our regulations and other helpful details.

I very much look forward to your passion as you explore your creativity, and we discover the amazing work you will produce with us.

Sincerely,
Dr. Daniel Doz
President and CEO

ASSESSMENT AND PAYMENT OF FEES

Total student fees are a combination of tuition fees, mandatory non-instructional fees, user fees, non-regulated fees and AUArts' Students Association fees. Fees are assessed on the basis of course registration, status, term of study, service requests and membership as per the fee description. All tuition fees, mandatory non-instructional fees, user fees, non-regulated fees and Student Association fees are due and payable by the fee payment deadline as published in the Academic Schedule (Dates & Deadlines). Students should allow for (bank/credit card) processing time to ensure fees are received by AUArts before the deadline.

Students who have not paid all tuition and fees by the fee payment deadline may have their registration in the current term revoked and will not be eligible for refund of fees paid to date. Future term registration will be cancelled.

Students with outstanding accounts due to AUArts or to reciprocal institutions will be subject to:

- Withholding of marks, transcripts and/or credentials;
- Withholding of privileges, including access to AUArts email, Mosaic, and other student systems, building access and other AUArts services;
- Ineligibility to register in subsequent academic terms or years;
