

Need help figuring out what you need to declare your major?
Want to know how many more classes you have to take before you graduate?

Meet with the Student Academic Advisor (set up an appointment advising@acad.ca) to follow up once you are attending ACAD to ensure you are on the right path to completing the correct courses. A visit to the Academic Advisor should happen at least once a year!

Learn about:

- ⇒ Your GPA
- ⇒ Setting your academic goals
- ⇒ Exchange + Travel Study
- ⇒ Making an academic plan
- ⇒ Choosing your major
- ⇒ Letters of Permission to take a class of interest elsewhere

Try to get out of your comfort zone when picking classes and try things you normally wouldn't!
