

Announcement #2 - Presidential Search Community Survey: We want to hear from you.

The following message was sent on behalf of Adrian Stimson, Chair, Board of Governors, and the Presidential Search Committee on June 6, 2024.

As you are aware, AUArts is engaged in the search for its next President and CEO. AUArts students, faculty members, staff, alumni, and community members are invited to *share their thoughts on the ideal profile for the university's next president, the challenges, and opportunities a new president will face in the decade ahead, and other related topics.*

The community consultation will run from Thursday, **June 6th**, until Sunday, **June 30th**, inviting feedback from all members of the AUArts community.

Participants can provide their input through a brief [anonymous survey](#).

The input gathered during this period will assist the Presidential Search Committee in developing the position opportunity. Once the position opportunity is approved by the Governance and Human Resources Committee of the Board it will be shared with the community via the [Presidential Search](#), [Careers at AUArts](#) and [Leaders International Opportunities](#) webpages.

We appreciate your support and hope that many of you will consider providing input, we look forward to hearing from you.

If you have questions or comments about the presidential search process, you can contact Cherie Tutt, University Secretary cherie.tutt@auarts.ca.
